

FRIENDS OF VICTORIA HOSPITAL

The Friends of Victoria Hospital Wimborne is a registered charity, established in 1936 to provide support to patients and staff at the hospital.

The Friends raise funds for equipment and resources which are not available through NHS funding.

With around 1,000 members the Friends also have an important advocacy role, working with hospital management and strategic health agencies in the region.

We produce a newsletter with information about projects, needs and articles on the developments and future facilities at the hospital. Our website at www.friendswimbornehospital.org.uk provides further information. Find us on Facebook at FriendsofVictoriaHosp

Our charity shop in Wimborne High Street is a vital fundraising resource. Local support, including legacies, donations and sponsorship, has enabled the Friends to donate over £4 million to the hospital in the past 15 years.
